

BEL & THE DRAGON
Boutique Country Inns

Dedicated to creating delicious English wines, Ambriel Sparkling was founded in 2008, by Wendy Outhwaite and husband Charles when they planted their vineyard in West Sussex. With a passion for managing their vineyards sustainably, the vineyards are abuzz with wildlife and Ouessant sheep during the winter.

With a passion for detail and a love for the land, Wendy's belief is that to make great sparkling wine you need 'GBP', not Great British Pounds, but 'Grapes, Blending and Patience'. Our team will soon enjoy first hand blending experience at the winery ..let's hope we match their Decanter Wine of the Year 2020 award in 2025!

Based in Tours-sur-Marne, Laurent-Perrier has been producing Champagne for nearly 200 years and is also the largest family-owned brand. Founded in 1812, the name Laurent Perrier was created by Mathilde Emilie Perrier, widow of Eugne Laurent who combined the two family names after the house was expanded. Chardonnay is the basis of the L.P style. The grape brings Brut Sans Année from 'La Cuvee' and a fresh elegant purity that gives L.P its distinctive style
